PROJECT SUN STREAK

WARNING NOTICE: INTELLIGENCE SOURCES AND METHODS INVOLVED

---

PROJECT NUMBER:	8904	SESSION NUMBER:	01
DATE OF SESSION:	06 FEB 89	DATE OF REPORT:	06 FEB 89
START:	0823	END:	0948
METHODOLOGY:	CRV	VIEWER ID:	011

---

1. (S/NF/SK) MISSION: To access and describe a target structure shown in overhead photo imagery.

2. (S/NF/SK) VIEWER TASKING: "Access and describe the target site at encrypted coordinates: 428013/839461."

3. (S/NF/SK) COMMENTS:

a. Inclemencies: None.

b. 011 immediately accessed the inside of the structure, rather than the outside. 011's standard "micro-habits" indicated good site contact, and the session was continued. Subsequent descriptors, however, appear to indicate that 011 may have been in contact with the wrong site, or with a portion of the site which, though possibly related in some way, was not physically located at the target building. I, as monitor, should have required more descriptors of known facts at the beginning of the session, to insure proper site contact. Due to time constraints related to this target, a proper search was not conducted.

d. Summary of Information enclosed.

## SESSION SUMMARY

SESSION: 06 FEB 89

VIEWER: \*011

START: 0823

STOP: 0948

METHOD: CRV

AT THE TARGET SITE WE HAVE A VERY LARGE STRUCTURE, WHICH PRODUCES A STRONG AESTETIC IMPACT. IT DOES NOT SEEM TO BE THE BUILDING ITSELF THAT MAKES THE IMPACT, BUT RATHER THE LARGE OBJECT INSIDE.

THE BUILDING IS EXTREMELY LARGE, TALL, AND VERY SPACIOUS INSIDE. IT REMINDS ME OF A HUGE AIRCRAFT HANGAR. INSIDE OF THIS BUILDING IS A LARGE OBJECT WITH PLATFORMS AND SCAFFOLDING ALL AROUND IT. IT APPEARS TO BE UNDER CONSTRUCTION/ASSEMBLY. THIS OBJECT SEEMS TO BE SOME SORT OF LARGE VEHICLE THAT IS ASSOCIATED WITH TRAVEL ON SEA AND THROUGH THE AIR; AOL- LIKE A "FLYING BOAT", (SEE AOL SKETCH, PAGE 6).

THE KEY EVENT IS THIS GREY-COLORED VEHICLE FLYING VERY LOW AND VERY FAST OVER THE SURFACE OF THE WATER. ASSOCIATED WITH THE VEHICLE AND THE KEY EVENT IS THE CONCEPT OF, "IMPROVED CAPABILITIES".

WORKING PAPER

6 FEB 89

TASKER

1. Encrypted Coordinates: 428013/839461.
2. Tasking: Access and describe the target site at the above coordinates.
3. Required EEI:
  - a. Describe the target structure at the site providing sketches of all physical perceptions.
  - b. Describe the contents of the target structure.
  - c. Describe the key purpose.
  - d. Describe any key activities supporting this purpose.
  - e. Describe the key event associated with the target (i.e. the key event of particular interest to the tasker). Remain open to the possibilities of this key event being in past, present, or future time, and also to the possibility that the event did not/is not/will not occur.
  - f. Through your own search technique, provide a set of map coordinates for the target site. Also note method used, and any perceptions gained.
